The business promote all employees to show environmental awareness whilst working on site and to offer suggestions if they feel there is any area the site could be more environmentally friendly. The business also tries where possible to employ guards in a close proximity to the site.

The company define Corporate Social Responsibility as follows:

- a) Conducting Business in a socially responsible and ethical manner
- b) Protecting the environment and the safety of people
- c) Supporting Human Rights
- d) Engaging, learning from, respecting and supporting the communities and cultures

The company will ensure that all matters of Corporate Social Responsibility are supported in our operations and administrative matters and are consistent with the company Stakeholders best interests. The company is committed to being recognised as an organisation considerate of Corporate Social Responsibility and recognises that in doing so; we will add significant value to our stake holders.

This policy applies to activities undertaken by or on behalf of the company.

All employees will adopt the Corporate Social Responsibility considerations described in this policy into their day to day work activities. The company management team will act as role models by incorporating those considerations into decision making in all business activities. The company management team will ensure appropriate organisational structures are in place to effectively identify, monitor and manage Corporate Social Responsibility issues

and performance relevant to our business.

This policy is built on the following areas that reflect existing and emerging standards of corporate Social Responsibility:

Business Ethics and Transparency

The company is committed to maintaining the highest standards of integrity and corporate governance practices in order to maintain excellence in its daily operations and to promote confidence in our governance systems.

The company will promote its business in an open, honest and ethical manner.

The company recognises the importance of protecting all of our human, financial, physical, informational, social, environmental and reputational assets.

Environmental, Health and Safety policies are in place and communicated to all staff via subsequent memos.

Stakeholder relations

The company will engage stakeholders clearly, honestly and respectfully.

The company is committed to timely and meaningful dialogue with all stakeholders, including customers, employees, government, regulators and landowners.

Employee Relations

The company will ensure employees are treated fairly with dignity and consideration for their goals and aspirations and that the diversity in the workplace is embraced and cherished.

The company will apply fair labour practices, while respecting the national and local laws of the United Kingdom.

The company is committed to providing Equal Opportunities (as per policy) in all aspects of employment and will not engage in or tolerate workplace misconduct, including discrimination, intimidation and harassment in either shape or form.
